# ABOUT US

The vision of Northeastern Seminary is to be a vibrant source for Christian theological formation not only for our students but for the community around us. We value spiritual formation, service to the church and world, respect-filled community, responsiveness to the culture around us, and rootedness in biblical and historical Christianity.

Northeastern Seminary is a place where students are being transformed in a dynamic and supportive learning community, where graduates embody, articulate, and advance the kingdom of God in a variety of ministry contexts around the world, and where the church and community are served through lifelong learning for pastors and church leaders.

# EXCITED?
